PREFACE.

We offer to our subscribers and the public our first issue of the Indianapolis City Directory, hoping it will meet their approval. A thorough and systematic canvass of the city was made, and every effort used to obtain the names correctly of all persons who should be represented in a City Directory. Neither pains nor expense have been spared to make it a reliable and useful work. Errors, no doubt, have crept in, but we are confident fewer errors and mistakes appear in this volume than in any preceding one. The Classified Business Directory is a complete mirror of the business of the city. The Street Directory has been corrected with much care and expense, and many new streets added not found in any other volume. The Miscellaneous Directory, including Federal, State and County Officers, Churches, Schools, Societies, and Postoffice Directory, will be found useful to the citizen as well as the stranger visiting the city. Having completed the work, our thanks are due our agents, who did their work honestly and faithfully, and to those who gave us encouragement by their subscriptions and advertisements. Hoping the work will meet the approval of our Patrons, we are, most respectfully,

B42031 THE PUBLISHERS.

THE INDIANAPOLIS NEWS,

32 East Market St.,

INDIANAPOLIS.

A Valuable Advertising Medium.

THE NEWS has the largest circulation of any daily paper in the State of Indiana. In addition to Indianapolis, a city of 100,000 inhabitants, where it is read more than all the other dailies combined, it is taken in all the towns and villages of Central Indiana tributary to this city. THE NEWS is in its seventh year, and is widely known as an independent journal, and is the only successful two-cent paper in the West. It is read by all classes, and by reason of its price reaches a large number who take no other paper.

Terms for advertising can be had from any responsible advertising agent, or upon application to the publisher.

THE INDIANAPOLIS WEEKLY NEWS.

With a thorough and practical acquaintance with the weekly papers of Indiana—after applying measurements as definite to us as the farmer uses for his fields or his cord-wood—it was determined to make THE NEWS the *best and cheapest* paper published in the State, and, if possible, to make that fact so clear that it will not be mistaken by any, except such as prefer bulk to quality, and would make choice of the elephant over the well-trained ring horse for service.

THE NEWS is independent in politics, and aims to publish all the news and tell the truth about it, believing that if the people are made acquainted with the facts, they will form sound conclusions. It is fearless in the defense of right, and quick to condemn and attack the wrong. It is neutral in nothing. A compendium of the freshest information, gathered from the most trustworthy sources, brimming over with news, pure and elevated in tone—it is just the paper for the family. Its price—only one dollar for a year, or fifty cents for six months—puts it in the reach of all. Everybody can afford it. The price of a fat turkey will buy it, or three dressed chickens, or four pounds of butter, or five dozen eggs, or a bushel of wheat. No matter what other papers you take, it is not like any other. You can not afford, at the price, to be without it. There is not a number but contains enough to make a good-sized book. Try it, and you will find it a welcome visitor.

Liberal terms to clubs.
